Research Notes: Husband - Thomas Frollope (cont.)

enumeration date, 16 July 1870, Page 36, Dwelling #299, Family #299; Thomas Trollope, age 83, male, white, retired farmer, value-Real Estate 8000, value- personal property 8000, born England, parents foreign born, eligible to vote; (must have become a citizen); Ellen Trollope, age 68 female, white born England, parents foreign born; Juin Warden, age 20, female, white, domestic servant, parents foreign born; John Wilson age 19, male white, farm laborer, parents foreign born. NOTE; I was able to view the original census, and although the census search (Genealogy.com) listed Thomas Trollope, I believe it is Frollope. The original image for the surname looks like a "T", but comparing it with the "F" in farmer they appear to me, to be the same.

See print out of the 1850-1860 and 1870 census for this family in the Thomas Frollope file.

General Notes: Child - Frances Frollope [640]

Listed on daughter, Mary Dandison Pearall Hopson's death record, as Fannie Frollope
